Just forked shoes and hpricot.
Anyone have to source to the
poignant guide? I think we should try
to salvage all we can from @_why.

There are many hundreds of people
all talking about @_why and sad that
he's gone. I hope he notices this.

Is it possible that @_why got
hacked? <http://bit.ly/jgHy0> It's hard to
believe that he would intentionally put
down Hackety Hack.
